

$$\text{odd} + \text{odd} = \underline{\text{even}}$$

$$\text{odd} + \text{even} = \underline{\text{odd}}$$

$$\text{even} + \text{odd} = \underline{\text{odd}}$$

$$\text{even} + \text{even} = \underline{\text{even}}$$

Shade if the two squares above are the same  
Don't shade if the the squares above are different
